Ode to Peace

1. Sing, o sing, your coun - try's an - them
 2. Hail the sun of peace, new ris - ing,
 3. Build the road of peace be - fore us,

Shout your land's un - dy - ing fame,
 Hold the war clouds clos - er furled,
 Build it wide and deep and long,

Light the won - drous tale of na - tions,
 Blend our ban - ners all to - geth - er,
 Speed the slow, re - strain the ea - ger,

With your peo - ple's gol - den name.
 In the rain - bow of the world.
 Help the weak and curb the strong.

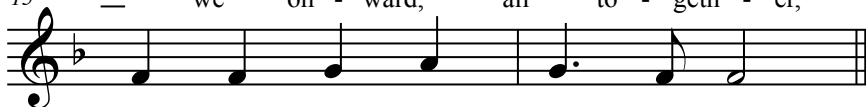

Tell your fath - er's no - ble stor - y
 Red as blood and blue as heav - en,
 None shall push a - side an - oth - er,

Raise on high your coun - try's sign, Join
 Wise as age and proud as youth, Melt
 None shall let an - oth - er fall, March

— then in the fin - al glor - y,
 — our col - ours, won - der wov - en,
 — we on - ward, all to - geth - er,

Raise, o raise, your flag with mine.
 In the great bright light of Truth.
 All for one, and one for all.
