10. Mother Earth Grace

Words: Dan Harper
Tune: Trad. ("Rose, Rose")

1.    Em    B7    Em    B7

Praise workers laboring hard in their fields, May sun and moon increase their yields, May the soil be bless'd with falling silver rains,

2.    Em    D

As we offer thanks to Mother Earth again. Praise Mother Earth again.

Guitarists: When sung as a round, guitar chords do not work.
Instead, alternate between Em and B7 chords.
