1. Almost heaven, California,
Santa Cruz Mountains, San Lorenzo River.
Life is old there, older than the trees,
Younger than the mountains, growing like a breeze.

Chorus: Country roads, take me home, to the place I belong,
California in the mountains, take me home, country roads.

2. All my memories, gather round her/him
Tie-dye lover, surfer on blue water.
Cool and foggy, clearing to blue skies,
Misty shapes of redwoods, teardrops in my eyes.

Chorus

Bridge: I hear her/his/their voice in the morning hour she/he/they calls me
Radio reminds me of my home far away,
Driving down the road I get a feeling
That I should have been home yesterday, yesterday.

Chorus
